

# Reminisce with a Grandparent

---

When and where were you born?

What were you like when you were my age?

How many brothers and sisters did you/do you have?

What hobbies did you have when you were my age?

What were your friends like?

Who was your best friend?

What kind of student were you?

Did you get good grades in school?

Did you have any favorite teachers?

Were you in any sports, clubs, or activities?

What was your house like?

Did you have any pets?

What was your favorite food?

What were some of the chores you had to do?

What was your very first job?

What were your grandparents like?

What advice would you give to kids today?

Do you have any pictures from your childhood that we could look at together?
